## Verse 2

The love of God is full, not free, for precious was the cost  
Displayed for all humanity on a redeeming cross  
Rejoice, Oh soul, rejoice at once! For this was not the end  
Jesus arose, defeated death, and we will reign with Him

Hallelujah! Grace alone flows to me from Your throne  
Em C G D/F# C  
Hallelujah! Grace is all my heart will ever know

## Verse 3

Deep grace and mercy are all I own when wrath all I deserve  
Let every nation, every tongue come take God at His word  
That for a time there still remains forgiveness for your debt  
So come O' pleasure, come and rest on God's great tenderness
