Verse 1

C **F** **C** **Am** **G** **F**
Behold the Savior of mankind nailed to the shameful tree

C **F** **C** **Am** **G** **C**
How vast and infinite His love to bleed and die for me

Am **C** **Am** **G/B** **F/A**
His father's pleasure was His aim, yet God Himself did turn

C **F** **C** **G** **Intro**
As sin was placed upon His Son, all wickedness unearned

Verse 2

To the dear fountain of Your blood incarnate God I fly
Here let me wash my garments white in love's redeeming light
What can I bring to pay for this, the priceless Lamb of God
Nothing but faith in Jesus' blood, to cleanse the vilest one

Verse 3

D **G** **D** **Bm** **A** **G**
Behold my conscience now approves that I am born of God

D **G** **D** **Em** **A** **D**
For grace has come, Your vic'try's won, though battles linger on

Bm **G** **Bm** **A/C#** **G/D**
Yet give me strength to run this race surrounded by the saints

D **G** **D** **A** **D**
And as Your promise rests on grace may I be bold in faith
