Verse 1

Em C G Em C G

Oh Lord, how many are my foes? They are rising up against me
They are saying of my soul there's no way that you could save me

Verse 2

My God won't you come and sustain me
For my breath is often straining
Answer me for I am breaking
Can it be that you would save me

Chorus

D Am C G D

But you are my shield and my glory and the lifter of my head

Am C

And their words lies and folly

G D

Cannot touch the truths that you have said

Am C Intro

Oh my God arise, and save me once again

Verse 3

My Lord I will not be afraid
though they set themselves against me
In my weakness Lord you came
to buffet those who would assail me
