Song in B minor

Verse 1 Lord I am low and in great misery
All my sins you know, all my heart you see

Verse 2 Yet my soul waits for you as it waits for the day
At night I cry out upon your great name

Chorus Out of the depths, Lord hear my cry
Oh who can stand? Mercy is mine

Verse 3 Now in confidence I fall at Your feet
I come to the cross where justice and mercy meet

Chorus No hope can be found apart from His name
He slays me in love in mercy He breaks

Verse 4 Sing of this love and the blood that redeems
For God in great love has chased after me

Chorus Great is your love oh lord who can stand?
No joy can be found except in your hands!
Great is your love oh lord who can stand?
No joy can be found except in your hands!
