## **Verse 1** (Bm—D—A)

When I am afraid, when's there's no escape  
And I'm lost in the wilderness, near the grave

**Bm     D             A                             G**

In the deepest morning, when no one's awake, I call out your name

## **Verse 2** (Bm—D—A)

Can you hear my voice shaking, filled with dread?  
All the wicked pursue me with evil plans

**Bm             D             A                             G**

I feel so surrounded with nothing left, Lord please save

## **Pre-chorus** (Bm---D---A)

For their words are empty in them lies destruction  
I cry out for mercy, I cry out for justice

## **Chorus**

**Em-----G-----A**

Let all who take refuge in You rejoice  
Let them ever sing, for Joy

**C/G                     A     C/G                     A**

You safeguard Your children, those You bought

**Em----G-----A                             Em—G—A—Intro2**

You bless the righteous and cover them up

## **Verse 3**

Oh help me remember that You know my name  
And I'm never alone, when battles rage

**Bm D                     A                             G     Pre-chorus**

You will surround me like a shield, and help me stand
